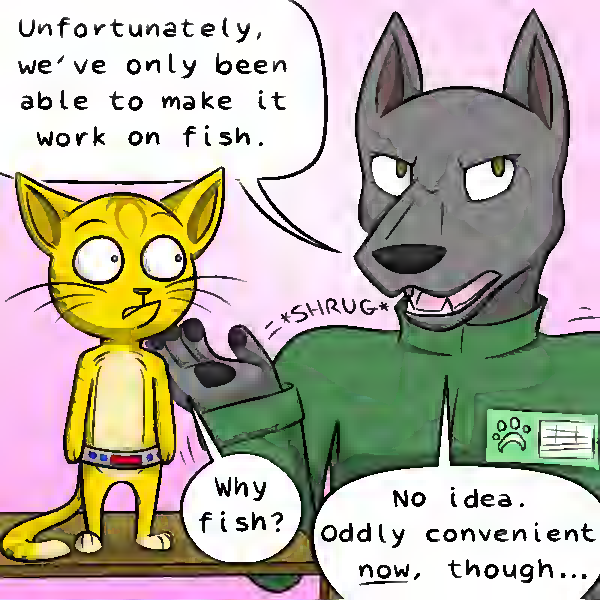
Now that you fish are on our side, you'll be doing your part in the war against the cats.
BEEP
For this next operation, you'll need a disguise.

As you can see, we've recently developed a new technology...
NOOP
...A belt that turns the wearer into a feline!
Sweet!



Unfortunately, we've only been able to make it work on fish.
=*SHRUG*
Why fish?
No idea. Oddly convenient now, though...

Anyway, that other fishy friend of yours is already in training.
How is she acclimating to the belt, Doddson?

Admittedly, not too good, sir.
She isn't quite used to being outside of her fishbowl yet.
